

## 1.5 Ton Portable Rental Air Conditioner MovinCool Office Pro 18

### Portable Air Conditioning & Spot Cooling Solutions

Delivering the highest cooling capacity possible from a standard 115V power source, the Office Pro 18 acts as a computer room air conditioner to help companies cool their heat-sensitive office systems and protect against the loss of data. The Office Pro 18 features easy-to-use programmable controls that allow automatic operation after-hours or during weekends when heat can cause damage to expensive office equipment.

### Product Features

- Delivers the highest cooling capacity possible from a standard 115V power source.
- Operates automatically after-hours or weekends with easy-to-use programmable controls.
- Totally self-contained, portable design.
- Quick, easy and cost-effective installation.
- ETL-Listed - assures safe operation
